9 *** How to Play ***
10 *****
11
12 Choose a starting amount (minimum $1, maximum $10).
13
14 Then press <Enter> to play. You will get either a
   unicorn, a horse, a zebra or donkey.
15
16 It costs $1 per round. Depending on your prize you
   might win some of your money back.
17 Here's the payout amounts...
18 Unicorn: $5 (balance increases by $4)
19 Horse: $0.50 (balance decrease by $0.50)
20 Zebra: $0.50 (balance decreases by $0.50)
21 Donkey: $0.00 (balance decrease by $1)
22
23 Can you avoid the donkeys, get the unicorns and walk
   home with the money? Try your luck.
24
25 Hint: to quit while you are ahead, type 'xxx' instead
   of pressing <Enter>
